Duct Tape Strips

DTS-Series

General Description

DTS series is a very conformable, low cost waterproof tape with a harder adhesion which bonds well to most surfaces over a wide range of temperatures. This tape is a combination of advantages from our existing polyethylenes for cost and clean removal. Red, silver and white are available.

Applications

Basic applications are for wire identification, color-coding, display, polyethylene splicing, surface protection and clean room application

Composition

Backing: Polyethylene, colored
Adhesive: Synthetic rubber based, clear

Technical Data

TECHNICAL PROPERTIES	
Total Thickness	7.0 mils
Tensile Strength	436 lb/inch
Elongation	75%
Adhesive Color	Clear
Adhesion to Steel	67 oz/inch
Adhesion to Backing	39 oz/inch
Waterproof	6.2
